KHYBER PAKHTUNKHWA PAKISTAN

## PROGRAM SCHEDULE KHUSHAAL HALL

### SESSION I | CARDIAC SURGERY

Chairman: Prof. Jawad Sajid – Bahria Hospital, Lahore  
Secretary: Dr. Hasanat Sharif – AKUH, Karachi

- |   |           |
|---|-----------|
| 1) <b>Cardio Vascular Surgery Training in Pakistan</b>  | 1130-1200 |
| Dr. Sulaiman Hassan – HoD cardiac Surgery, AKUH Karachi   |           |
| 2) <b>Early Outcome of Off Pump Multiple or Total Arterial Coronary Revascularisation</b>                 | 1200-1215 |
| Dr. Tayyab Pasha - Jinnah Hospital, Lahore  |           |
| 3) <b>Early Outcome of On Pump Versus Off Pump Coronary Artery Grafting</b>                               | 1215-1230 |
| Dr. Ghulam Pasha - CPEIC Multan   |           |
| 4) <b>Coronary Endarterectomy Outcome in Coronary Artery Grafting</b>                                     | 1230-1245 |
| Dr. Azam Jan - RMI, Peshawar  |           |
| 5) <b>Graft Patency after one year in Off pump CABG Surgery by CT Angiography in Tertiary Care Centre</b> | 1245-1300 |
| Dr. Hasanat Sharif - AKUH, Karachi  |           |
| 6) <b>Aortic Aneurysm Repair</b>  | 1300-1315 |
| Dr. Shahid Malik – University of Punjab, Lahore   |           |
| 7) <b>4) Aortic Root Replacement RMI Experience</b>   | 1315-1330 |
| Dr. Ameer Mohammad (Cardiac Surgeon) - RMI, Peshawar  |           |

### SESSION II | CARDIAC SURGERY

Chairman: Gen. (R) Masood ur Rehman Kiyani – Hearts International, R'Pindi  
Secretary: Dr. Syed Mumtaz Anwar - RMI, Peshawar

**Seminar** 14:15-15:45  
**Cardiac Surgery Advanced Life Support workshop- CALS**

#### Objectives

- To identify features of the cardiac surgery patient that warrant modification to the standard resuscitation technique
- To distinguish critical differences between protocols for ACLS versus CALS
- To describe the STS standardized protocol for management of a cardiac arrest in a cardiac surgery patient
- To demonstrate successful CALS re-sternotomy within 5 minutes

#### Target audience

- CICU Nurses
- Critical Care Technicians
- Cardiac Surgical Trainees
- Cardiac Surgeons

#### Teaching Methodology

- Lectures on Cardiac Arrest protocols and resternotomy
- Videos demonstrating the resuscitation protocols, resternotomy and constitution of the resternotomy cart

#### Faculty

- Dr. Hasanat Sharif, Dr. Sulaiman Hassan and Dr. Fazal Khan
- Agha Khan University Hospital, Karachi

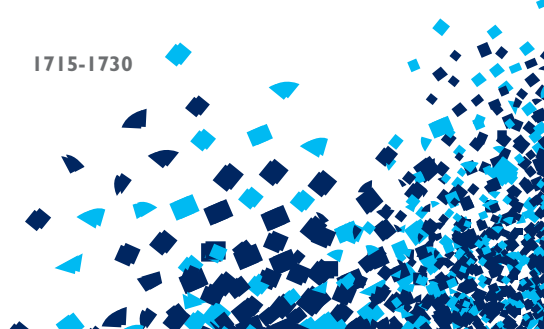

### SESSION III | CARDIAC SURGERY

Chairman: Dr. Khalid Rasheed, Taba Hospital, Karachi  
Secretary: Dr. Azam Jan - RMI, Peshawar

- |  |           |
|--|-----------|
| 1) <b>Acquired Ventricular Septal Defects</b>  | 1615-1630 |
| Dr. Mumtaz Anwar (Senior Registrar) - RMI Peshawar   |           |
| 2) <b>Incidence of Renal Dysfunction And 30 Days Post-operative Outcome in Open Heart Surgery Patients</b>                               | 1630-1645 |
| Dr. Hasanat Sharif - AKUH, Karachi   |           |
| 3) <b>Follow up and quality of life after Radial artery use in coronary artery bypass grafting</b>                                       | 1645-1700 |
| Dr. Tayyab Pasha - Jinnah Hospital, Lahore   |           |
| 4) <b>Outcome in Tricuspid Valve Repair By Devega's Technique During Concomitant Mitral Valve Repair</b>                                 | 1700-1715 |
| Dr. Sohail Aslam - Lady Reading Hospital, Peshawar   |           |
| 5) <b>Molecular Genetic Analysis of Angiotensin Converting Enzyme/Polymorphism in Cardio-metabolic Disease Patients From Faisalabad.</b> | 1715-1730 |
| Dr. Misbah Hussain – NIBGE, Faisalabad   |           |

#### CONFERENCE SECRETARIAT:

5/B-2 Phase - 5 Haytabad Peshawar Pakistan  
Tel: +92-91-5838000 (Ext. 3030) | Fax: +92-91-5838333

SATURDAY, DEC 3rd, 2016, PEARL CONTINENTAL HOTEL, PESHAWAR  
KHYBER PAKHTUNKHWA PAKISTAN

**PROGRAM SCHEDULE**  
**ZAVER HALL**

**SESSION I | PAEDIATRIC CARDIAC SURGERY**

Chairman: Col. (R) Prof. Masood Cheema, Lahore

Secretary: Dr. Momin Salahuddin – Associate Professor Cardiology, RMI

- |   |           |
|---|-----------|
| 1) <b>Handmade RV to PA Conduit</b>   | 1130-1145 |
| Dr. Faiz Rasool – Children's Hospital, Lahore   |           |
| 2) <b>Great Artery Ratio: Does it Really Matter in Total Correction of Tetralogy of Fallot</b>                        | 1145-1200 |
| Dr. Iqbal Hussain - NICVD, Karachi  |           |
| 3) <b>Guidelines for 2 Staged Arterial Switch for Delayed Presentation of TGA with Regressed LV</b>                   | 1200-1215 |
| Dr. Faiz Rasool – Children's Hospital, Lahore   |           |
| 4) <b>Fast Tracked Extubation In Paediatric Surgery</b>   | 1215-1230 |
| Dr. Iqbal Hussain - NICVD, Karachi  |           |
| 5) <b>Congenital Cardiac Anomaly CT Scan with Low Dose Radiation</b>  | 1230-1245 |
| Dr. Ummara Siddiqui – Consultant Radiologist RMI, Peshawar  |           |
| 6) <b>Ateriovenous Oxygen Saturation Difference: Should We Follow for Extubation After Paediatric Cardiac Surgery</b> | 1245-1300 |
| Dr. Iqbal Hussain – NICVD, Karachi  |           |
| 7) <b>Evolution in the Management of TOF</b>  | 1300-1315 |
| Dr. Salman Shah – Children's Hospital, Lahore   |           |
| 8) <b>Pulmonary Stenosis with VSD and TGA – Two Ventricle or Single Ventricle Approach</b>                            | 1315-1330 |
| Dr. Muneer Aman Ullah – Agha Khan University Hospital, Karachi  |           |

**SESSION II | CARDIAC SURGERY**

Chairman: Maj. Gen. (R) Asif Ali Khan – Bahria Hospital, Rawalpindi

Secretary: Dr. Nayyar – Lady Reading Hospital, Peshawar

- |  |           |
|--|-----------|
| 1) <b>Starting A New Cardiac Surgery Unit in Karachi</b>   | 1415-1430 |
| Dr. Salman Ahmad – Dow University of Health Sciences, Karachi  |           |
| 2) <b>Development of Isolated Coronary Artery Bypass Grafting (CABG) Mortality Risk Stratification Model: An Initiative Model For South Asian Countries And Its Comparison With International Risk Stratification Models</b> | 1430-1445 |
| Dr. Imran Ali – Taba Hospital, Karachi   |           |
| 3) <b>Non-Specific Upper GI Symptoms Are Predictor Of Post-operative Large Pericardial Effusion In Cardiac Surgery</b>   | 1445-1500 |
| Dr. Muhammad Sher-e-Murtaza – Cardiac Surgeon, CPEIC, Multan   |           |
| 4) <b>Success Of Ischemic Mitral Regurgitation Repair Through Lifting Posterior Mitral Annuloplasty</b>  | 1500-1515 |
| Dr. Khalid Rasheed – Taba Hospital, Karachi  |           |
| 5) <b>LMS Stenting</b>   | 1515-1530 |
| Dr. Mazhar Ali – Consultant Cardiologist, RMI Peshawar   |           |
| 6) <b>Frequency of Stroke and Common Factors Leading to it After CABG</b>  | 1530-1545 |
| Dr. Mumtaz Anwar - Sr. Registrar Cardiac Surgery, RMI  |           |

**SESSION III | CARDIAC SURGERY**

Chairman: Prof. Sulaiman Hassan, HOD Cardiac Surgery – AKUH, Karachi

Secretary: Dr. Momin Khan – Consultant Cardiologist RMI, Peshawar

- |   |           |
|---|-----------|
| 1) <b>Prevalence of CAD in Patients Undergoing Open Heart Surgery For Cardiac Valves in Developing Country</b>                          | 1615-1630 |
| Dr. Hasanat Sharif – AKUH, Karachi  |           |
| 2) <b>Minimally Invasive Cardiac Surgery</b>  | 1630-1645 |
| Col. Dr. Amir Khan – AFIC, Rawalpindi   |           |
| 3) <b>Frequency of Peripheral Artery Disease in Patient Undergoing CABG</b>   | 1645-1700 |
| Dr. Hasanat Sharif - Associate Professor Cardiac Surgery, AKUH Karachi  |           |
| 4) <b>Quality of Life of Post CABG Patients After Cardiac Rehabilitation</b>  | 1700-1715 |
| Dr. Muhammad Bin Afsar Jan – Dept. of Physical Therapy, RMI, Peshawar   |           |
| 5) <b>Molecular Genetic Analysis of Angiotensin Converting Enzyme/Polymorphism in Cardio-metabolic Disease Patients From Faisalabad</b> | 1715-1730 |
| Dr. Misbah Hussain – NIBGE, Faisalabad  |           |

**CONFERENCE SECRETARIAT:**

KHYBER PAKHTUNKHWA PAKISTAN

**PROGRAM SCHEDULE**  
**KHYBER HALL**

**SESSION I | THORACIC SURGERY**

Chairman: Prof. Zahoor Ahmed – Consultant Cardio Thoracic Surgeon, NWSGH, Peshawar  
Secretary: Dr. Saleem – Associate Professor Thoracic Surgery LRH, Peshawar

- |  |           |
|--|-----------|
| 1) <b>Stomach Pull Up For Burnt Out Oesophagus</b>                                     | 1130-1145 |
| Prof.Aamir Bilal – HoD Thoracic Surgery LRH, Peshawar                                  |           |
| 2) <b>Pneumonectomy - Thoracoscopic And Open Multicentre Review</b>                    | 1145-1200 |
| Dr.Azam Jan – Consultant Cardio Thoracic Surgeon RMI, Peshawar                         |           |
| 3) <b>Tracheal Stenosis with Primary Resection and Anastomosis</b>                     | 1200-1215 |
| Dr. Farhan Majeed – HoD Thoracic Surgery, Lahore                                       |           |
| 4) <b>Primary Repair of Oesophageal Perforation</b>                                    | 1215-1230 |
| Dr.Aamir Bilal – HoD Thoracic Surgery LRH, Peshawar                                    |           |
| 5) <b>Total Laryngo-esophagectomy</b>  | 1230-1245 |
| Dr. Farhan Majeed – HoD Thoracic Surgery CMH, Lahore                                   |           |
| 6) <b>Early Results of Oesophagectomy Over a Period of 12 Years</b>                    | 1245-1300 |
| Prof.Aamir Bilal – HoD Thoracic Surgery LRH, Peshawar                                  |           |
| 7) <b>Chest Wall Malignant Masses Different Procedures</b>                             | 1300-1315 |
| Dr. Farhan Majeed – HoD Thoracic Surgery CMH, Lahore                                   |           |
| 8) <b>Outcomes of Lower Limb Endovascular Revascularization in Acute Limb Ischemia</b> | 1315-1330 |
| Dr.Aman Nawaz – Consultant Radiologist, RMI  |           |

**SESSION II | THORACIC SURGERY**

Chairman: Prof.Aamir Bilal - HoD Thoracic Surgery LRH, Peshawar  
Secretary: Dr.Ahsan Shabbir – Senior Registrar Anesthesia, RMI

- |  |           |
|--|-----------|
| 1) <b>Bronchotomy and Resectional Procedure After Failed Brochoscopic Foreign Body Retrieval</b> | 1415-1430 |
| Dr. Farhan Majeed – HoD Thoracic Surgery CMH, Lahore   |           |
| 2) <b>Surgical Resection of Pulmonary Hydatid Cyst</b>   | 1430-1445 |
| Prof.Aamir Bilal – HoD Thoracic Surgery LRH, Peshawar  |           |
| 3) <b>VATS Empyema</b>   | 1445-1500 |
| Dr. Farhan Majeed – HoD Thoracic Surgery CMH, Lahore   |           |
| 4) <b>Surgical Intervention of Pulmonary Hydatid Cyst and its Outcome</b>                        | 1500-1515 |
| Dr. Babar Balouch – C.T Surgery RMI, Peshawar  |           |
| 5) <b>Experience of Decortication for Empyema Thoracic</b>                                       | 1515-1530 |
| Dr. Farhan Ahmed Majeed – CMH, LHR   |           |
| 6) <b>Importance &amp; Enhancement of Team Work in Cardiac Surgery</b>                           | 1530-1545 |
| Mr. Mohammad Raza – Perfusionist NICVD, Karachi  |           |

**SESSION III | THORACIC SURGERY**

Chairman: Dr. Farhan Ahmed Majeed, HOD Thoracic Surgery – CMH, LHR  
Secretary: Dr.Baseer, Assistant Professor Thoracic Surgery – LRH, Peshawar

- |  |           |
|--|-----------|
| 1) <b>Experience of Rib Fixation</b>   | 1615-1630 |
| Dr. Farhan Ahmed Majeed – CMH, LHR   |           |
| 2) <b>Corrective Surgery of Chest Deformity</b>  | 1630-1645 |
| Prof.Aamir Bilal – HoD Thoracic Surgery LRH, Peshawar  |           |
| 3) <b>VATS Hymectomy with OLV</b>  | 1645-1700 |
| Dr. Farhan Ahmed Majeed – CMH, LHR   |           |
| 4) <b>Incidence of Malignancy in Cervical Mediastinoscopy and Biopsy for Mediastinal Lymphadenopathy</b> | 1700-1715 |
| Dr. Farhan Ahmed Majeed – CMH, LHR   |           |
